

Putnam Valley Parks and Recreation

The Putnam Valley Day Camp program is located at the CYO Hill Camp facility, 140 Brookfalls Road, Putnam Valley NY. We offer an 8 week day camp program, operating from June 25-August 17, 2018.

All campers experience a variety of rotations each day; arts and crafts, nature, sports, swimming, games, and special events. Our Specialty staff leads the counselors and groups in the above activities and must have a background and /or experience; Senior and Junior Counselors positions supervise the campers during all aspects of their camp day, including swimming-counselors will be required to swim with the children.

PV Parks and Recreation prefer that our camp staff commit to the 8 week session however; we have had success with job-sharing but must know availability prior to the start of camp.

DAY CAMP EMPLOYMENT

Day Camp applications can be found on pvpr.com or at the Putnam Valley Recreation office. All applications must be submitted by March 20th. Interviews will be conducted in late April-you will be contacted to schedule an interview.
