

PUTNAM VALLEY PARKS AND RECREATION

LEGO ENGINEERING ACADEMY

**Seven week program on Monday's
Feb. 5, 12, 26 and March 5, 12, 19, 26**

3:30pm- 4:30pm

PVES

Grades 1-4

\$85.00

Instructor: Michelle Stephens

Our focus is on building an interest in science and engineering. Lego Engineering Academy is a hands on program designed to stimulate your child's creativity. Critical thinking, collaboration, problem solving skills and descriptive language will also be developed as your child constructs models with Lego components.

Classes will be divided into 4 segments. Children will start exploring with a "free build" time before they learn a new technique or strategy. They will then be presented with a "partner challenge", where they will be asked to collaborate with their peers to solve a specific problem. The class will end by encouraging students to reflect on observations, investigations and problem solving strategies used throughout the class.

Registration: Sign up at PVPR or mail in registration form to:
Putnam Valley Recreation, 265 Oscawana Lake Rd., Putnam Valley, NY 10579
For more information call: 845-526-3292
